Cane Presentation.

There was a very pleasant gathering of

the friends of the Rev. Joshua Lancaster,

at his residence on Twenty-fourth street,

last Saturday evening. The time was

mostly occupied in singing and friendly

conversation. About 8 o'clock Mr. A. J.

McNash was called on for a speech, and he

responded, occupying some five minutes of

time on an entirely different subject, and

then producing a beautiful gold-headed,

ebony cane, which in a very appropriate

remarks on behalf of the many friends

concerned, he presented to the reverend

gentleman as a testimonial of their esteem

for him as a citizen, Christian and friend.

Through Mr. Lancaster was completely

surprised and much affected, his response

was a very happy and edifying one to

those present. The occasion will long be

remembered by all concerned. The cane

was bought of L. G. Dillon on Market

street, and was beautifully inscribed as

follows: "Presented to Joshua Lancaster

by friends, 1881."

MANAGER WOLF was up from Wheeling

yesterday, closing his contracts for the tele-

phone. Council will take up the matter

of granting permission to put up the poles, and as soon as

that is settled, the work will begin. We

may be able to talk about the weather by

telephone on the first of April.—Steu-

benville Herald.

THE Steubenville Herald says: When

the police broke up the fight in the

road building Saturday afternoon, two

chickens were just ready to go into the

pit; so the boys after the excitement, were

bent on having the fight and the crowd to

the number of twenty or more went over to

the Virginia end of the bridge to see the

fight. The fight began. It was

between Wheeling and Steubenville, and

Steu-ben-ville, as usual, won, breaking

the Wheeling chicken's leg in the first

round. Steubenville won more money on

the fight. On all the fighting, the

Wheeling gambler raked in over \$500.

\$125 coming from one Wheeling boy. It

is sincerely hoped that the next fight that

is fought here will be somewhere else.
